**ROLLING V BUS CORPORATION FIRST IN NYS  
TO COMPLETE 3RD PARTY DMV ROAD TEST**

*Rolling V qualified to administer the commercial driver's license skills test*

**August 2022, Liberty, N.Y.** Earlier this year, NY Governor Kathy Hochul announced a two-phase plan to allow qualified third parties to administer the commercial drivers' license skills test. Rolling V Bus Corp was approved for the new program. Under the new regulations, Rolling V Bus Corp can now conduct commercial driver license (CDL) skills tests when such tests are needed for applicants to obtain a class A, B, or C license.

Nick Vallone, Executive Vice President of Rolling V Bus Corp touted the accomplishment at the National School Transportation Association convention in Niagara Falls earlier this week. (<https://www.facebook.com/photo/?fbid=483379253696789&set=pcb.483379457030102>). Vallone was instrumental in third party testing implementation and was invited to address the national convention which represents over 250,000 school buses nationwide.

This new certification process will help us, the state, and the nation in getting more CDL drivers on the road and hopefully alleviating some of the shortage of CDL drivers nationwide. This has been a long overdue accomplishment that will aid the DMV by alleviating the pressure to complete more Commercial Road Tests. This program has worked well in other states, and now NY State can join them in helping alleviate the national shortage of CDL drivers.

Certified Commercial Examiners (CCE's), Valerie Mott and Sarahbeth Corbin, completed the four-week training process with Department of Motor Vehicles (DMV) officials on Friday, July 22 and have begun performing road tests under the continued supervision of DMV. Both employees have been trained and certified to perform the Commercial Road Test as set forth by the Department of Motor Vehicles and AAMVA. Valerie and Sarahbeth have many years of experience in the school bus industry. They began as school bus monitors, working their way up to becoming CDL drivers and eventually part of the management team at Rolling V Bus. Valerie and Sarahbeth have their 19a Certified Examiner and School Bus Driving Instructor certifications.

Rolling V Bus Corp is excited to embark on this new endeavor and wish all the new 3<sup>rd</sup> Party Certified Examiners and their companies continued success.

**About Rolling V Corp**
