Rolling V Bus Corp. Honors Employees

South Fallsburg, N.Y. (August 2, 2023) – Rolling V Corp. celebrated another successful year by honoring employees for their length of service, safety and dedication. The employees were treated to a fun filled evening at Resorts World Catskills. Rolling V has operated in Sullivan, Delaware and Ulster County since 1990. They serve the Fallsburg, Tri-Valley, Monticello, Livingston Manor, Liberty, Roscoe and Ellenville School Districts; plus have transportation agreements with other municipalities in the region.

Over the past few years, Rolling V has provided their employees the opportunity to participate in leisure activities at no cost to them in appreciation for their dedication, loyalty and good work. This past June, over 60 employees participated in a fishing expedition on Long Island Sound.

In addition, each month, Rolling V recruitment Manager Anthony Vallone coordinates a Night at the Movies at the Hurleyville Performing Arts Center. The company rents the theater, and over 70 employees each month enjoy fun family films like A League of their Own and Jaws.

“At the end of the day it’s all about the people. The people we work with, the people we serve, our families and the communities as a whole. We are privileged and honored to be working with these fine individuals and the communities we are in.” Executive Vice President, Nick Vallone.

At Rolling V, they work hard to celebrate their staff, the real heroes in our community, who work hard every day to safely transport members of the community. Rolling V is calling for others to join their elite team. They are hiring for bus monitors, bus drivers, mechanics, and more. They will pay to train and pay for licensing. If you or someone you know would like to become a member of the Rolling V family, applications are being accepted now at RollingV.com.
