**ROLLING V BUS CORP. ANNOUNCES PURCHASE  
OF NEW LIBERTY PROPERTY**

*New transportation center is an investment in both the growing enterprise and the  
community*

**South Fallsburg, N.Y. (December 11, 2017)** – [Rolling V Bus Corp.](#), a Catskill Region-based school bus transportation company, announced today that it has purchased a new property located on State Route 52 in Liberty, N.Y. The new location will act as a transportation center and an administrative hub for three entities of the Vallone family transportation enterprise: Rolling V Bus Corp., Vallo Transportation LTD., and VP Buses, LLC. These companies transport over 15,000 passengers daily and operate in the Catskill Mountains, lower Westchester County, and New York City’s five boroughs.

Rolling V Operations Manager Linda Kleingardner stated that the property will not only meet the needs of the growing enterprise, but also serve as an investment in the community. “This new location prepares our company for projected growth, allowing us to invest in our current employees and create new job opportunities,” she said.

The transportation center, a 32,500-square foot facility, sits on 8+ acres of land, including walking trails. Kleingardner anticipates that Rolling V employees will utilize the trails as part of the company’s recently implemented employee wellness initiative.

Town Supervisor Brian P. Rourke expressed his excitement for the acquisition, which will add to the diverse employment opportunities within close proximity of Liberty.

“Liberty is a wonderful place for families to settle, and the influx and expansions of businesses, such as Rolling V, stimulates the continued growth of our region,” Rourke said. “We continue to work to bring more businesses to Liberty, and encourage our community to take advantage of the new employment opportunities presented by Rolling V.”

Rolling V has consistently been a leading business in the Catskill Region, providing fair pay, holiday pay, benefits and retirement programs for employees. This year, the company announced several expanded initiatives for employees, including vocational training programs, English language training programs, day care offering, and a daily shuttle service for employees between Liberty, Monticello and South Fallsburg.

Those interesting in learning more about Rolling V, including job openings, are encouraged to visit its website at [www.rollingv.com](http://www.rollingv.com).
